We will give the students their instruments, books, folders, etc on this date. We will also show them where we have class and where the bus will drop them off. Parents are encouraged to attend with their child, but if they have to just drop them off or if your child needs to go with another family, that will be ok too!

Trumpet, Trombone, Baritone

Time

3:30-4:15 pm

**If you are unable to find a way to have you or your child make it to their orientation time, please email Mr. Palma and Mrs. Gembis. We will try to be available at 6pm that night for instrument pick-up if needed.*

2018-19 6th Grade Concert Schedule

Every year the 6th Grade Beginning Band performs at three concerts. These concerts showcase all of the progress and achievement that the students are making. It is required that each student attends and performs at these concerts. If you have any conflicts with the schedule that you see below, please contact me as soon as possible. We also encourage parents to attend along with any other friends or family. You will be amazed at how great the kids sound in the full band! The students make so much progress during the first year, and it is fun to witness this progress at the concerts.

In the weeks leading up to a concert, we will give students more detailed information. There is no cost to attend concerts and students are expected dress nice and professional for the concerts since there is no uniform in 6th grade. We will look forward to seeing you at the concerts!

6th Grade School Year Band Schedule

Transportation is available to the high school in the morning by taking the JH/HS Bus. The transportation department will let you know in the late summer where your child will get picked up in your neighborhood. During our orientation, I will show students where the bus will drop them off at the HS. If you will be dropping your child off for our morning band classes, please drop them off at the HS Pool Entrance which is right next to the HS Band Room. After band class is done, transportation will then take your student from the high school band room back to their elementary school. If your student is in trans math, they will either ride the bus or walk to the JH for their math class.
