

# Jenison 6th Grade Band Winter Concert Schedule

The next concert featuring the 6th Grade Band, along with the High School Wind Symphony, is on Tuesday, January 28. Students will need to report to the JCA at 7:00 pm, and the concert starts at 7:30. This second concert of the year features our beginners playing more complex music in which they are no longer playing unison parts. After playing a couple of pieces on their own, they will be joined by our top high school band, the Jenison Wind Symphony. Typically this concert lasts approximately 30 minutes.
