JENISON, MI

## 6th Grade Band Morning Class Schedule February 12 - March 2

This month has a few adjustments due to the student day off of school and festival performances by our JH and HS bands and orchestras. Schedules in the afternoon will remain the same at your child's elementary. If you have any questions regarding our upcoming schedule, please let me know. Also, you will notice some italicized notes on when the saxophone and bass clarinet auditions will be taking place for interested clarinet students. We will be sending home separate information regarding that process next week. Thank you!
