I have read the schedule for the 8th Grade Band Performance at Homecoming on September 29. Please check the dismissal option you would prefer for your child.

_____We will be at the game and would like our child to be allowed to be dismissed from the stands to meet us. (You may want to keep their instrument case with you in the stands or students may go back to the JH to put their instrument away before going back to the stands.)

_____We would like to have our child move back to the JH after half time, which is where we will pick them up at approximately 8:15.
