

Jenison JH Band Summer Practice Club

Summer is a great time to keep improving on your musical skills. Keep track of the times you practice over the summer and turn it into Mrs. Gembis during the first week of school. You will receive extra credit towards your 1st quarter grade for this extra practice time. Try to practice a few times a week so that you keep your embouchure in shape! For 10 hours of practice over the summer (less than 1 hour per week) you will earn 3% toward your grade!

Have a great summer!
