

Jenison Jr. High Bands Pre-Festival Concert

Thursday, February 20, 6:30pm - Jenison Center for the Arts

The Pre-Festival concert allows us to prepare for our Festival performance and share this music with our friends, family, and other band students. Each Jr. High Band will perform three pieces of music along with sight-reading a brand-new piece for the audience.

Please remember that concerts are worth 25% of your total marking period grade. It is important to remember to arrive in uniform, on time, with all of your equipment/music, and to demonstrate your best concert behavior throughout the evening.

6:00pm- Warm-Up begins in the JCA.

7th Grade warm-up is in the black box and 8th grade warm-up is in the dressing room. Be sure to decide ahead of time with your parents where you will meet them after the concert.
