

# Jenison Bands Step-Up Instrument Night

Dear Band Parents:

Representatives of Meyer Music will be at the Jenison High School Band Room on Tuesday, December 4 from 5:30 to 7:30 PM to assist students and parents who are interested in upgrading to a more advanced instrument. We encourage you to come by and talk to the representatives if at all possible. A step-up instrument provides your child with the tools necessary to reach their fullest potential. In most cases, a step-up instrument will help provide noticeable improvements in tone and intonation, plus some have features that will assist with speed and technique. The step-up instruments we are recommending will take your child through high school and into college.

Meyer offers both intermediate and professional instruments as **rent-to-own** options, and has a flexible plan that can be adapted to make purchasing a step-up instrument fit into your budget. Many of you are on a rental purchase plan already. If this is the case, you can convert your rental money toward the step-up purchase. If you own a beginner instrument, it can be traded in toward a step-up as well. While renting, Meyer covers 100% of all repairs to keep the instrument in good playing condition. A Meyer representative comes to our school weekly as a service to our band program.

Of course, if the time or situation is not appropriate for you to change instruments now, we understand and will continue to give your child the best music education possible.

Please fill out the bottom part of this letter so we know if you plan to attend on **December 4**. This will allow Meyer to look up your current rental credit if applicable and best plan for the evening.

If you have any questions please do not hesitate to reach out to us!

Sincerely,  
Dave Zamborsky, Seth Justice, Anne Gembis, and Marc Palma  
Band Directors
